Dear Friend,

The Florida Commission on the Status of Women is excited to host our **5<sup>th</sup> Annual Women's Legislative Education Summit** on February 6-7, 2018 at the Florida State Capitol, Tallahassee, FL. Attendees will gain a better understanding of how ideas become laws and learn the tools needed to be leaders in their communities.

The event is free, and members of the public are encouraged to attend this valuable opportunity for civic engagement.

Because of your longstanding commitment to supporting women across Florida, we would like to make you aware of the chance to support this event by becoming a Partner. In doing so, you'll be helping women statewide become engaged in the legislative process, thereby making a positive impact on the future of Florida.

Recognition is available at a wide range of partnership levels that will position your organization to build a strong brand platform, support the growth and success of our network of attendees and become part of a dynamic community of state-wide leaders.

By working with us, you will be supporting an event with a proven track record, one that is growing each year and expanding its outreach. It is your support that enables us to make these educational events possible and open to the public. Please feel free to call the FCSW office at 850-414-3300 with any questions. We look forward to working with you.

Warmest Regards,

Nancy C. Acevedo  
Chair,  
FCSW Public Policy Committee
