ART CONTEST

"WOMEN IN SPORTS"

Playing sports is fun! It helps us stay happy and healthy. It teaches us to work together, set goals, and try our best.

Female athletes such as Serena Williams, Simone Biles, Suni Lee, A'ja Wilson, Alex Morgan, and Chloe Kim are some of the greatest women in sports.

Who is your favorite woman sports star? Use art to show us what "women in sports" means to you, and you could win an award and have your art shown in the Florida Capitol!

Get out your pens, pencils, crayons, markers, or paints, and get creative!

PURPOSE

To commemorate and honor women's history and members of the Florida Women's Hall of Fame

Sponsored by the Florida Commission on the Status of Women, the Florida Women's History art contest is open to both boys and girls and serves to celebrate women's history and increase awareness of the contributions made by Florida women, past and present. Celebrating women's history presents the opportunity to honor and recount stories of our ancestors' talents, sacrifices, and commitments and inspires today's generations. Learning about our past allows us to build our future.

THEME

2023

"No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance."

It was 50 years ago that Title IX of the Education Amendments of 1972 was passed into law. These 37 words served as the groundwork to open the door of opportunity for girls, especially in sports. It took years after the passage of the law for it to begin to take hold, but it eventually led to the rise of collegiate women's athletic programs and professional leagues. Women are now making sports history, not just through their careers, but by being pioneers and breaking the glass ceiling, serving as an inspiration and paving the way for other women to follow in their footsteps.
